Please review some upcoming dates and add them to your calendar. Our Annual General Meeting is just around the corner, where we will be welcoming new members, getting post-Tournament updates and more.

## Armed Services YMCA Service Activity Recap

Thank you to everyone who volunteered at last month's Armed Services YMCA San Diego's Neighborhood Exchange. We spent the morning assembling and setting up the marketplace and distributing fresh produce, canned goods, and dried goods to more than 150 active-duty military members.

A big shoutout to Kyle Anderson who recruited 7 colleagues of his to join in and give back!
